Conference Overview

WELCOME TO PARK CITY, UTAH! Technology, Networking and Trends in Pharmacy Education and Regulation will be a terrific opportunity for each attendee to participate in an eventful and rewarding program of continuing education, District organization business, catching up and learning from friends and colleagues, and just plain fun. Nestled high in the Wasatch Mountains, the historic mining town of Park City is unlike any other ski town in the U.S. Home to three world class ski resorts, The Canyons, Deer Valley and Park City Mountain Resort (PCMR), the town of Park City offers four-season recreation as well as sophisticated dining and nightlife, all within a 32-mile drive from the Salt Lake City International airport. All meeting attendees should plan on attending this event! It begins with a gondola ride to Red Pine Lodge at the top of the mountain for a reception (cash bar) followed by a traditional western barbecue meal (no "black ties" allowed). After the barbecue, attendees will be treated to local entertainment by The "Other" Three Tenors. By day they are Terry Behunin, Marketing Director of Intermountain Healthcare; Brent Allen, Manager of the LDS Distribution Center; and David Allen, Engineering Manager at Autoliv. By night they turn into larger than life super singers: "The Other Three Tenors" - a.k.a. Luciano Provolone, Placebo Dominos, and Jose Carest-her. Their particular brand of mellow three part vocals paired with off-the-wall humor has made them a hit with a wide variety of audiences. With Kathy Skidmore as arranger and accompanist, they re-write their own versions of familiar songs. Who can forget such hits as: "I Sold My Geo and Moved to Rio" (O Sole Mio) and "We 3 Tenors Disoriented Are" (We 3 Kings). The "Other" Three Tenors will bring smiles of delight to young and old alike.
