

NABP 105th Annual Meeting • May 16-19, 2009 • Hyatt Regency Miami Hotel • Miami, FL

Continuing Pharmacy Education Programming

Saturday, May 16, 2009

1:30 - 4:30 PM

Pre-Meeting CPE

Maxims, Monarchy, and Sir Thomas More

ACPE #205-000-09-001-L03-P

(0.275 CEUs – 2.75 contact hours)

Facilitators:

Graham Thatcher, MA, PhD, Artistic
Director, Periakto Productions

Jay Campbell, RPh, JD, Executive
Director, North Carolina Board of
Pharmacy

Michael A. Moné, BS, JD, FAPhA, Vice
President, Anti-Diversion & Senior
Regulatory Counsel, Cardinal Health

Learning Objectives:

At the completion of this program, the participant will be able to:

1. Explain various conflicts of interest that board of pharmacy members face within the context of “private conscience vs. public loyalty”
2. Summarize various approaches to avoid and/or respond to ethical dilemmas that arise in the practice of pharmacy as regulators and pharmacists

Target Audience: Pharmacists

Activity Type: Application-based

Description:

Board of pharmacy members face a variety of conflicts of interest as they pursue their goal of protecting the public. This session will feature members of Periakto Productions, LLC, who will perform an adaptation of Sir Thomas More’s last hours prior to his execution. During that time he explores his own issues with “private conscience vs. public loyalty” – issues that also face today’s health professional boards. Following the play, facilitators will conduct a panel discussion based on the featured ethical dilemmas.

Sunday, May 17, 2009

8 - 11:30 AM

Joint CPE

Educational Poster Session – CQI on Fire

ACPE #205-000-09-002-L05-P

(0.1 CEU – 1 contact hour)

Presenters: To be announced

Learning Objectives:

At the completion of this program, the participant will be able to:

1. Describe several continuous quality improvement initiatives that boards

Sunday, May 17, 2009 (cont.)

- of pharmacy and colleges of pharmacy have implemented
2. Explain how these continuous quality improvement programs can decrease the incidence of medication errors/quality related events and increase patient safety

Target Audience: Pharmacists
Activity Type: Knowledge-based

Description:
Boards of pharmacy and schools and colleges of pharmacy representatives will present various continuous quality improvement initiatives via a poster session. CPE is earned through interactive participation with presenters for one hour during the 3½ hour offering.

4 - 5 PM

Joint CPE

DEA Update

ACPE #205-000-09-003-L03-P

(0.1 CEU – 1 contact hour)

Presenter:

Joseph T. Rannazzisi, Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration

Learning Objective:

At the completion of this program, the participant will be able to:

1. Describe the priorities of DEA's Suspicious Order Reporting Requirements and how the Healthcare Distribution Management Association's compliance guidelines relate
2. Explain the general concept of DEA's findings from its advance notice or proposed rulemaking regarding the disposal of controlled substances

3. Summarize the provisions included in the Ryan Haight Online Pharmacy Consumer Protection Act that pertain to boards of pharmacies

Target Audience: Pharmacists
Activity Type: Knowledge-based

Description:

A DEA representative will provide participants with an update of the Administration's priorities, including DEA's Suspicious Order Reporting Requirements and the Healthcare Distribution Management Association's compliance guidelines addressing this issue; DEA's plans for the disposal of controlled substances; and the Ryan Haight Online Pharmacy Consumer Protection Act.

Monday, May 18, 2009

8:15 - 10:15 AM

Joint CPE

Patient Counseling – Catch the Wave

ACPE #205-000-09-004-L03-P

(0.2 CEUs – 2 contact hours)

Presenters:

Jodi Shields, BS, Consultant, Align Organizational Development and Training

Bruce Scott, MS, RPh, FASHP, Chief Pharmacist and Senior Vice President, Medco Health Solutions, Inc

Jay Campbell, RPh, JD, Executive Director, North Carolina Board of Pharmacy

Neil J. MacKinnon, MS (Pharm), PhD, FCSHP, Associate Professor, Pharmacy Administration and Associate Director of Research, Dalhousie University College of Pharmacy

Monday, May 18, 2009 (cont.)

Learning Objectives:

At the completion of this program, the participant will be able to:

1. Explain why the current business model and patients' expectations discourage interactive patient counseling
2. Summarize the innovative counseling models and techniques that were developed during the facilitation session

Target Audience: Pharmacists

Activity Type: Application-based

Description:

A professional facilitator will lead participants through the murky waters of today's counseling issues. The discussion will focus on "where is counseling today?" and why the current business model and patients' expectations discourage interactive counseling. The facilitator will assist participants in suggesting innovative counseling models and techniques.

Tuesday, May 19, 2009

9 - 10:30 AM

Executive Officer and Board Member CPE
Compounding Inferno – "For Office Use"
ACPE #205-000-09-005-L03-P
(0.15 CEUs – 1.5 contact hours)

Presenters:

Richard Sands, RPh, CPh, Statewide
Pharmaceutical Program Manager,
Florida Department of Health

Lisa D. Ashworth, RPh, Clinical
Pharmacist, Children's Medical Center
Dallas, Center for Cancer and Blood
Disorders

Learning Objectives:

At the completion of this program, the participant will be able to:

1. Describe current, specific state regulations pertaining to compounding for physicians' office use

2. Summarize the developments and board of pharmacy issues related to the compounding of controlled substances for office use

Target Audience: Pharmacists

Activity Type: Knowledge-based

Description:

Participants will learn about current state regulations pertaining to compounding for physicians' office use, including developments regarding the compounding of controlled substances for office use.

9 - 10:30 AM

Compliance Officer CPE

e-Tools "Out of Hand!"

ACPE # 205-000-09-006-L03-P
(0.15 CEUs – 1.5 contact hours)

Presenters:

Joann Predina, MBA, RPh, Compliance
Specialist, Ohio State Board of
Pharmacy

Steve Hart, RPh, Pharmacy and Drug
Inspector, Kentucky Board of Pharmacy

Learning Objectives:

At the completion of this program, the participant will be able to:

1. Describe the challenges boards of pharmacy may face with electronic prescribing software, and how to prevent medication errors
2. State three benefits of utilizing electronic on-site inspection forms for pharmacy inspections

Target Audience: Pharmacists

Activity Type: Knowledge-based

Description:

As the pharmacy profession moves toward implementing more electronic tools, some of these applications are proving to be more helpful than others. Participants will not only discover problems related to

Tuesday, May 19, 2009 (cont.)

e-prescribing software, but will also learn how boards can benefit from the utilization of electronic inspection software. Board of pharmacy inspectors will describe challenges with e-prescribing software and triumphs with the help of electronic tools.

10:45 AM - 12:15 PM

Joint CPE

Standardization of Technician Education – Want it? Need it?

ACPE #205-000-09-007-L04-P
(0.15 CEUs – 1.5 contact hours)

Presenters:

Michael J. Rouse BPharm (Hons), MPS,
Assistant Executive Director,
International and Professional Affairs,
Accreditation Council for Pharmacy
Education

Kevin N. Nicholson, RPh, JD, Vice
President, Pharmacy Regulatory Affairs,
National Association of Chain Drug
Stores

Janet L. Teeters, RPh, MS, Director,
Accreditation Services, American
Society of Health-System Pharmacists

Learning Objectives:

At the completion of this program, the participant will be able to:

1. Summarize the necessary components of standardized pharmacy technician education
2. Describe how stakeholders can implement these standardized components

Target Audience: Pharmacists

Activity Type: Application-based

Description:

As more states jump on the bandwagon to register pharmacy technicians, it is sometimes unclear as to where that wagon is heading. Attendees will participate in discussions focusing on what is necessary to standardize pharmacy technician education and its implementation.

Note: 105th Annual Meeting CPE programming is subject to change.

NABP and the NABP Foundation is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. ACPE Provider Number: 205. Participants may earn up to 9.75 contact hours (0.975 CEUs) of ACPE-approved continuing pharmacy education credit from NABP. Participants in continuing pharmacy education programs will receive credit by completing a “Statement of Continuing Pharmacy Education Participation” and submitting it to the NABP office. A validated Statement of Credit will be sent as proof of participation within approximately six weeks. Full attendance and completion of a program evaluation form for each session are required to receive continuing pharmacy education credit and a Statement of Credit.

Continuing Legal Education (CLE) Policy: NABP staff will be available to assist attendees on an individual basis to apply for CLE credit for attending conference CPE sessions. To apply for CLE credit, attendees must initiate the program approval process in their own states by completing and submitting the appropriate application materials and forms. NABP will provide documentation as necessary.
